the justification and kingdom of god series seeks to answer the question how can justified christians in jesus bear the fruit of faith

reflecting growth in god s image to address this the series helps readers understand what happens to the image bearers of god in adam or in jesus christ this reveals the deeper meaning of the gospel and the restoration of god s image uncovering hidden treasures now the challenge is whether you will accept these treasures the kingdom of the covenant emphasizes the eternal kingdom of the living god through the lens of god s righteousness this encourages readers to remember god s righteousness which runs through his covenants serves as the legal standard of governance the standard of salvation and the standard of a good life just as god s righteousness is the foundation of his word for his kingdom god s word is the standard for wisdom knowledge judgment and actions through his word god opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom now lives of faith on this earth carry eternal consequences this book asks what would you do with this gift god s word

thoughts of god s eternity stifle when this work busieth a soul it is too great to suffer it to descend to listen to a sleeveless errand from hell or the world the wanton allurements of the flesh will be put off with indignation the proffers of the world will be ridiculous when they are cast into the balance with the eternity of god which sticking in our thoughts we shall not be so easy a prey for the fowler s gin let us therefore often meditate upon this but not in a bare speculation without engaging our affections and making every notion of the divine eternity end in a suitable impression upon our hearts this would be much like the disciples gazing upon the heavens at the ascension of their master while they forgot the practice of his orders acts i 11 we may else find something of the nature of god and lose ourselves not only in eternity but to eternity 2 and hence the second part of the exhortation is to something which concerns us with a respect to god 2l if god be eternal how worthy is he of our choicest affections strongest desires of communion with him is not everything to be valued according to the greatness of its being how then should we love him who is not only lovely in his nature but eternally lovely having from everlasting all those perfections centered in himself which appear in time if everything be lovely by how much more it partakes of the nature of god who is the chief good how

the existence and attributes of god comprises the first two volumes of the works of stephen charnock 1628 1680 an english puritan divine who was highly skilled in philosophy patristics reformed theology and biblical languages these volumes are his abiding monument they are worthy of being compared with the finest in theology when the existence and attributes of god are called into question to whom else can we better go than to stephen charnock those things revealed belong to us and to our children forever the material that charnock discusses is firmly founded in the word of god both the old testament and the new emphasize these two things first we should study the whole revelation not just some easy or favorite parts of it secondly the study of god s attributes is not dry as dust theology but is practical that is it leads to righteousness dr gordon h clark from a preface to this great work in a sovereign grace edition 1958 one of the greatest tragedies in these spiritually starved times is the sad fact that most christians know so very little about their god it is often said that this is simply because these volumes are exhaustive on the subject yet it is clearly filled with sublime expositions of the truth regarding god s existence and attributes charnock displays god s attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living god of which the bible speaks the technical terms and sometimes arguments of scholastic theology are employed but always with a biblical orientation charnock has no desire to speculate but only to declare the works and ways the nature and character of the god of the bible the substance of his doctrine is characteristically puritan and representatively reformed dr james i packer in the encyclopedia of

christianity volume ii p 410 the possessor of these rare volumes will be blessed by getting acquainted with the incomparable god and thereby will reach a higher plane of spiritual enjoyment never attained before to know him better is to love him more

dr sproul brings a wealth of theological philosophical and biblical knowledge which gives to his ministry a depth and penetration not often heard today dr d james kennedy

in the beginning the lord god formed man from the dust of the ground and breathed into his nostrils the breath of life and the man became a living soul this breath of the living soul was breathed out by christ at his death on the cross and again after the resurrection he breathed on the disciples the spirit of god saying receive the holy spirit thereby enabling man the transition from the first man adam into the second man christ at the death of christ the old covenant along with the external and natural ways of relating with god was nailed to the cross bringing forth in his resurrection the new covenant life the body of resurrection known as the body of christ where all those united to christ in the spirit become one with him god wants the entire mankind to live in and by the new covenant which is the reality or substance of the person of christ as the indwelling life within us since this is the eternal plan purpose and will of god the bible thus presents two realms one of death and the other of life through the old and the new covenant with two different types of relationships god did not improve or modify the first man adam on the cross but crucified adam in christ and this is known as the judgement where adam has been separated from christ this reality has to be inworked within the soul of every human being for the transition from the natural and the earthly into the heavenly and the spiritual and thus from the living soul adam to the life giving spirit christ this book unfolds the truth that christianity is neither a religion nor an organisation but a true christian is characterised by the resurrected life of christ dwelling within him this realisation enables him to produce the fruit which is the increase of christ and thereby achieve the harvest of a people living by the life of christ in this way true salvation defined as the fullness of christ in the human soul becomes a reality proclaiming to the world that the evidence of salvation is it is not i who live but christ who lives in me
